

Covid-19 Protocol Information for Parents on Instrument Selection Day

Entrance to the Hays HS Music Building:

Please wait outside the building until your Sign-Up Genius Time Block. Everyone is encouraged to stay socially distant, while wearing a face mask. Upon entry everyone is required to wear a face mask. Parents will only be permitted with their student who will be tested on a Band Instrument. We will not be able to have additional siblings admitted to the building this year.

Once inside the Hays HS Music Building:

Please sanitize hands, sign in at the front desk, and fill out an Instrument Selection Form that your student will take around to each testing table. Then proceed to the two large rooms and tour around to be tested. You must practice social distancing at all times. There will be expeditors to help you navigate ☺.

While Testing:

Students will be asked to sanitize hands and will be tested on each instrument utilizing all Covid precautions possible. Students and parents should sanitize their hands at each testing station.

After Testing:

Proceed to the farthest Band Hall to check-out with your student's correct Middle School (Barton or Wallace). Once you have completed check-out (Instrument Selection and Welcome), proceed to one of the Music Companies present to secure instrument accessories and instrument rental/purchase contracts.

Leaving the Building:

You will exit to the right of Instrument Check-Out and Music Company station, and walk back around the building to the parking lot.
